Chicago 2011 All Grantee Conference (Oak Brook, IL)

**U. S. Department of Housing and Urban Development
Chicago Regional Office**

**In conjunction with
Dennison Associates, Inc.**

Offers the

2011 All Grantee Conference

Conference Overview:

The HUD Chicago Regional Office is sponsoring an All Grantee Conference held at the Doubletree Oak Brook Hotel in Oak Brook, IL, on **Tuesday, June 21, 2011**. The conference brings together housing, homeless and community development professionals and HUD grantees in Illinois. The one-day conference will help housing, homeless and community development professionals respond to the changing landscape of housing, homeless and community development program/service delivery issues. HUD staff and practitioners will lead discussions on CBDG, HOME, Homeless Programs, and Recovery Act Programs and the current challenges faced by grantees relating to overall grants management, implementing local strategies, compliance and technical assistance needs.

Breakout discussion sessions will run concurrently and you may select to attend one session per breakout. The breakout sessions provide for specific discussions led by HUD staff on topics and issues such as:

- Regional Continuum of Care (CoC) challenges and priority issues, Point in Time Counts, Bed Bug Strategies, and local partnerships
- CBDG, HOME, Homeless Program and Recovery Act Program technical assistance needs and performance issues discussion
- Environmental Review issues
- Fair Housing issues
- Section 3 Compliance issues

A TA provider table has been setup for one-on-one consultation with a TA provider. Time slots are limited to three (3) 30 minute increments during breakout sessions #2 and #3, and each time slot is

Register Today!

limited to one organization per time slot. When registering, please be sure to select an available time slot when prompted if you would like to meet with the TA provider.

The Conference will be held at:

Doubletree Chicago Oak Brook Hotel
1909 Spring Road
Oak Brook, IL 60523-3923
Ph: 630-472-6000
